

*In Xanadu did Kubla Khan
A stately pleasure-dome decree:
Where Alph, the sacred river, ran
Through caverns measureless to man
Down to a sunless sea.*

— Samuel Taylor Coleridge, 1797

A photograph of a cave interior. The walls are covered in ancient rock art, including a large black animal figure on the left and various smaller paintings in red, black, and white. A wooden walkway with a railing leads into the distance. The lighting is warm and focused on the cave's features.
