

Table 1: Trade Books and the 7 Habits

These titles are recommended for those interested in teaching the 7 Habits with the use of trade books. They are coded to the 7 habits (or their opposites) that are exhibited by the characters or people in the book. *The Dragon Lode* newsletter is another rich source for new titles.⁷ "The 7 Habits of Highly Effective People," as described by Stephen Covey, are (1) Be Proactive, (2) Begin with the End in Mind, (3) First Things First, (4) Think Win-Win, (5) Seek First to Understand, (6) Synergize, and (7) Sharpen the Saw.
