

MSCS Request for *Permit to Waive Prerequisite(s)* – Fall 2014

INSTRUCTIONS (Please read carefully)

- Please complete this form if you require a permit to waive a prerequisite for a class you are planning to take in Fall 2014.
- Please type or print neatly.
- You must specify the course section of the course you are requesting. (Note: You may only request one permit for a each course.)
- All forms are processed once a week on Friday. You must submit your form to the CECS Department Office by Thursday evening for Friday processing. If your form is processed on Friday, your *Permit to Waive a Prerequisite* should be available in MyCSULB by the following Wednesday morning.
- **IMPORTANT:** Your *Permit to Waive a Prerequisite* does not guarantee you enrollment in a class. It simply allows you the ability to enroll in a class on MyCSULB when you did not take the required prerequisite at CSULB.
- You are strongly advised to enroll in your classes as early as possible.

NAME (Last, First): _____ , _____

STUDENT ID: _____

OPTION: Computer Science (CS) Computer Engineering (CpE) EMAIL (Please write clearly) : _____

YEAR ENTERED PROGRAM: (*circle one*) Fall / Spring 20 ____ ADVANCED TO CANDIDACY: NO YES If yes, which semester: (*circle one*) Fall / Spring 20 ____

Course Number	Section	Course Code	Req'd Prerequisite(s), Corequisite(s)	How have you already satisfied the prerequisite(s)? <i>You may continue your explanation on the back if necessary.</i>
SAMPLE CECS 328	***SAMPLE*** 03/04	***SAMPLE*** 5512/5423	***SAMPLE*** CECS 228 & CECS 277	***SAMPLE*** 288 – Took at Community College S'10; 277 – Part of my Undergrad degree

I certify that the above information provided above is complete and correct.
