

MSCS Prerequisite Waiver for 400-level Electives – Spring 2022

INSTRUCTIONS (Please read carefully in its entirety)

- Use this form if you are a graduate student who is requesting to waive prerequisites in a 400-level CECS elective. The MSCS program allows a maximum of THREE electives at the 400-level. You may request up to THREE 400-level CECS electives per semester. You may submit one request only for a course with multiple sections.
- Permission to enroll in 400-level electives are subject to seat availability with undergraduate students given priority. Permits are therefore issued at the sole discretion of the CECS Department **no earlier than** the 2nd instructional week of each semester.
- You cannot retake a 400-level elective at CSULB if you have already completed a similar undergraduate course as part of your Bachelor's degree.
- You must provide evidence of meeting all required prerequisite(s) for each 400-level elective you wish to enroll, by submitting the following required supporting documents along with this form: 1) your current CSULB unofficial transcript; and 2) copies of your official undergraduate transcript.
- It is your sole responsibility to ensure all supporting documents are submitted and all sections are complete on this form (i.e. do not leave blanks for the course number, section, code etc.). Applications with incomplete forms or a lack of supporting documents will be discarded without review.
- **IMPORTANT:** This form does not guarantee enrollment in any 400-level CECS electives. Undergraduate students have priority in all 400-level electives and if the class(es) you wish to enroll is(are) already full, your request may be denied.
