

2007 JACQUES MAY THESIS PRIZE  
MASTER'S DIVISION

AWARDED TO

Julienne Gard

On behalf of the Medical Geography Specialty Group of the AAG, we are pleased to announce that Julienne Gard is the winner of the 2007 Jacques May Thesis Prize, Master's division. Reviewers praised the high quality of her research and writing, and in synthesis agree that your work makes an excellent contribution to the field of medical geography.
