是=>

III. Write or type the following passage in Chinese.

This is Xie laoshi's new house. The new house is in Cypress. This house has two stories. There are three bedrooms upstairs. Downstairs, there are living room, study room and kitchen. The kitchen is on the left side of the living room. The study room is on the right side of the living room. We have three bathrooms.

There are two upstairs, there is one bathroom downstairs. This house does not have a garden, it is not too big either, but it is not bad.
