Fourth Annual

OURFA²M²

Online Undergraduate Resource Fair for the Advancement and Alliance of Marginalized Mathematicians

For marginalized, minoritized, underrepresented, and underserved undergraduate mathematicians, it can feel difficult to gather the information you need to build your career. We've been there, and we've got your back.

November 18 & 19, 2023 (Zoom)

Registration and information at
ourfa2m2.org

This free, virtual conference, organized in partnership with the Mathematical Association of America and with grant DUE-2333129 from the National Science Foundation will include:

- A panel of representatives of summer and semester opportunities
- A panel of students who have participated in such programs
- Crash courses in common undergraduate math research fields
- Personal stories of mathematicians' formative experiences
- Other talks and activities to network and share resources

Please register by 11:59 pm Pacific on November 10 to join us.
No experience required and all are welcome!
