

2023

MATHEMATICAL PATHWAYS TO AN EXCELLENT FUTURE

 **May 19, 2023**
Begins at 8:30AM

 **UC Riverside**
Skye Hall, Room 284

 **Free breakfast, lunch
and dinner!**

We are excited to announce the upcoming "Mathematical Pathways to an Excellent Future" conference. We will host a poster session with cash prizes for undergraduate and graduate students. Additionally, there will be an essay competition for students to describe their journey in mathematics and its applications.

DISCUSSIONS AND INSIGHTS

DIVERSE SET OF EXPOSITORY MATHEMATICS

Covers a wide range of topics within mathematics

PANEL DISCUSSION

Building a future with mathematics

POSTERS

Attendees are encouraged to bring their best work to display. There will be prizes awarded to winners with the best posters.

ESSAY COMPETITION

This competition is an opportunity for attendees to write about their experiences and interest in mathematics.
